PRESIDENT'S REPORT

Dear Member,

I have much pleasure in presenting to you our Annual Report for the 2025 financial year.

Our auditors report this year shows a profit of \$304,563 after nil income tax expense. The breakup of this figure shows a trading profit of \$476,041 and investment profit of \$207,148 making a total of \$683,189. Allowing for the books depreciation deduction of \$378,626 our total net profit for the year is \$304,563. This a wonderful achievement for our club.

I refer you to the Directors Report for a more detailed outline of the Club's trading figures.

Credit must be given to our CEO, Andrew Taylor, his management team and our wonderful Chefs and staff for record figures in our restaurant, cafe and throughout our club. It has been an extremely busy year with record figures in all departments.

During the year the Board decided to spend at least a half of last years profit on our club. With all new lighting brightening up the front of the club awning and also a number of improvements to Nelson's Cafe with new furniture. The club will continue to spend and improve the club. We now have Councils permission, to have alfresco settings with tables & chairs fronting the club.

The Boards' decision to extend our closing to 4:00am has been a great success. The Board sincerely appreciates the extra efforts put in by management and staff in making this so successful.

Our aim as always, is to continue to make our members happy with excellent facilities, great food at very reasonable prices and a wonderful atmosphere. Our 60-space car park is now being appreciated by many members.

In closing my sincere thanks to a wonderful Board, an excellent Vice President Andrew Thompson and a group of directors with many years of experience in the club scene. The Board is keen to continue to make new changes around the club and I am sure the members will enjoy these changes as they occur.

I thank you for the privilege of being President of our Club and look forward to seeing all members enjoy Coro-88 in the years ahead.

ALAN WHELPTON AO

MANAGEMENT REPORT

Dear Member

I am pleased to present the Annual Report for the financial year ending 31 December 2025, with the Club recording a trading profit of \$304,563. For a detailed breakdown of the Club's financial performance, I refer you to the Director's Report.

In what has been a challenging economic environment, marked by cost-of-living pressures, rising interest rates and increased regulatory requirements, the Club has delivered a strong result. Notably, our catering and bar departments achieved growth of over 15% and 16% respectively—an outcome I am particularly proud of given the conditions.

Membership has also continued to grow, increasing from 1,646 members in 2024 to 2,295 members in 2025. This growth reflects our ongoing commitment to delivering high-quality, value-driven experiences for our members and the broader community.

In October 2025, the Club made a strategic operational decision to extend trading hours until 4:00am daily. This initiative has exceeded initial expectations and has contributed positively to overall performance, demonstrating both the strength of our offering and the dedication of our team.

I would like to extend my sincere thanks to Mr Alan Whelpton AO and the Board of Directors for their continued support, guidance and confidence. I also acknowledge the efforts of our management team—Operations Manager Brendan Ballesty, Duty Managers Vic Paceskoski, Kaylan Reti, Santo D'Allura and Fah Werapun—as well as all staff, whose commitment and professionalism underpin the Club's success.

Looking ahead, our focus remains on innovation, financial sustainability and enhancing the overall member experience. We are committed to strengthening our community presence, including our ongoing partnership with the Concord Giants Junior AFL Club, and ensuring the long-term success of the Club for all members.

Thank you for your continued support. I look forward to another year of growth and success together.

BASIS OF PREPARATION

CORONATION CLUB LTD financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards - Simplified Disclosures. This includes compliance with the recognition and measurement requirements of all Australian Accounting Standards, Interpretations and other authoritative pronouncements of the Australian Accounting Standards Board and the disclosure requirements of AASB 1060 General Purpose Financial Statements - Simplified Disclosures for Not-for-Profit Tier 2 Entities.

The financial report of the company was prepared in accordance with Australian Accounting Standards - Simplified Disclosures. The 2022 and prior year financial reports were prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements. The transition from the previous financial reporting framework to Australian Accounting Standards - Simplified Disclosures has not affected CORONATION CLUB LTD reported financial position, financial performance, and cash flows.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

ACCOUNTING POLICIES

a) **Revenue Recognition**

Sales Revenue

Sales Revenue comprises revenue earned from the provision of catering, beverage, and poker machine facilities to members and other patrons of the Club. Sales revenue is recognised when the goods and services are provided.

Asset Sales

The gross proceeds of asset sales are included as revenue of the entity. The profit or loss on disposal of assets is brought to account at the date an unconditional contract of sale is signed.

Interest Income

Interest income is recognised as it accrues.

b) **Principal Activities**

The Club operates as a Registered Club.

(A Company Limited by Guarantee)

NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31ST DECEMBER, 2025

NOTE 3. SUMMARY OF MATERIAL ACCOUNTING POLICIES (cont.)

c) Property, Plant & Equipment

Property, plant and equipment are included at cost or at an independent valuation. All fixed assets, including buildings and capitalised leases, but excluding freehold land, are depreciated over their estimated useful lives commencing from the time the asset is held ready for use.

d) Leases

Leases of property, plant and equipment, where substantially all the risks and benefits incidental to the ownership of these assets, but not legal ownership are transferred to the lessee, are classified as **finance leases**. Finance leases are capitalised recording an asset and liability equal to the present value of the minimum lease payments, including any guaranteed residual value. Lease assets are amortised over their estimated useful lives. Lease payments are allocated between the reduction of the lease liability and the lease charges taken to expense for the period in accordance with AASB 117: Leases.

Other leases are classified as **operating leases**. Minimum lease payments made under operating leases are charged as an expense in equal instalments over the accounting periods covered by the lease term.

Commencing 1st January 2019, a new lease standard (AASB 16: Leases) was introduced. In the past **operating leases**, where substantially all the risks and benefits remained with the lessor, were treated as off-balance sheet transactions, where lease payments are charged as expense in the period in which they occurred, but under the new standard are required to be reported on-balance sheet. The lease cost which is the initial amount of the lease liability at present value plus any direct costs, if applicable, is recognised in the financial accounts as a “right-of-use” asset with an off-setting lease liability. The right-of-use asset is subsequently depreciated over the term of the lease or useful life on a straight-line basis. The lease liability at present value is reduced by the period lease payments made to the lessor, and the interest component of these payments charged to the P&L. Right-of-use assets are reported in property, plant and equipment and lease liabilities in financial liabilities.

CORONATION CLUB LTD has elected not to recognise right-of-use assets and lease liabilities for leases of low-value assets or short-term leases. Lease payments associated with these leases are expensed on a straight-line basis over the lease term.

e) Depreciation and Amortisation

Depreciation is provided on property, plant and equipment but excluding freehold land. Depreciation is calculated on a straight line basis so as to write off the net cost of each asset over its expected useful life. Freehold land has not been depreciated. The directors consider that the adoption of this policy would be inappropriate and the effect of this departure is immaterial to the Company’s accounts.

The following rates of depreciation are used in the calculation for depreciation:

Bar Equipment	25%	Furniture & Fittings	20%
Bistro	20%	Plant & Equipment	20%
Poker Machines	33 1/3%		

f) Trade and other payables

These amounts represent liabilities for goods and services provided to the club prior to the end of the financial year and which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition.

NOTE 3. SUMMARY OF MATERIAL ACCOUNTING POLICIES (cont.)

g) Maintenance and repairs

The costs of maintenance, repairs and minor renewals are charged as expenses as incurred.

h) Employee Entitlements

(i) *Wages and salaries, annual leave and sick leave*

Liabilities for wages and salaries, annual leave and sick leave are recognised and are measured as the amount unpaid at the reporting date at current pay rates in respect of employees' services up to that date.

(ii) *Long service leave*

A liability for long service leave is recognised for all employees of the club with ten years or more service. No adjustment is made for inflation of wage rates or discounting of expected future payments as the net effect is not expected to be material.

(iii) *Superannuation*

The company pays superannuation entitlements to a nominated superannuation fund for all employees, in line with its legal obligations. Superannuation contributions accumulate for the purpose of providing a lump sum or annuity benefits upon retirement, death or disability. Superannuation is paid at 12.5% of base salary of employee.

i) Segment Reporting

The business operates in the hospitality, leisure and entertainment industry in Australia.

j) Mutuality Principle

The company calculates its income in accordance with the mutuality principle which excludes from income, any amounts of subscriptions and contributes from members, and payments received from members for particular services provided by the club or association, e.g., Poker machines, bar and dining room service in the case of social clubs. The Commissioner of Taxation accepts this method of calculating income as appropriate for recognised clubs and associations.

Following the Full Federal Court decision in *Coleambally Irrigation Mutual Co-operative Limited v FCT* [2004] FCAFC 250, Tax Laws Amendment (2005 Measures No. 6) Bill 2005 was tabled in Parliament on 7 December 2005 to amend the Income Tax Assessment Act 1997 to restore the long standing benefits of the mutuality principle to those non-profit organisations affected by the Coleambally decision.

These amendments will ensure social clubs continue not to be taxed on receipts from contributions and payments received from members.

NOTE 3. SUMMARY OF MATERIAL ACCOUNTING POLICIES (cont.)

k) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

The net amount of GST recoverable from, or payable to, the Australian Taxation Office is included as a current asset or liability in the statement of financial position.

Cash flows are included in the statement of cash flows on a gross basis.

INDEPENDENT AUDITOR'S REPORT **TO THE MEMBERS OF** **CORONATION CLUB LTD**

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of CORONATION CLUB LTD (the Company), which comprises the statement of financial position as at 31st December 2025, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and the directors' declaration.

In our opinion the accompanying financial report of CORONATION CLUB LTD, is in accordance with the *Corporations Act 2001*, including:

- (a) Giving a true and fair view of the company's financial position as at 31st December 2025, and of its financial performance for the year then ended; and
- (b) Complying with Australian Accounting Standards AASB 1060: *General Purpose Financial Statements - Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities* and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section set out under Auditing Standard ASA 700. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company would be in the same terms if given to the directors as at the time of the auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial report of the current period. These matters were addressed in the context of our audit of the financial report as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

INDEPENDENT AUDITOR'S REPORT **TO THE MEMBERS OF** **CORONATION CLUB LTD (continued)**

Other Information

The directors are responsible for the other information. The other information comprises the information contained in the CORONATION CLUB LTD Annual Report (but does not include the financial report and our auditor's report thereon).

Our opinion on the financial report does not cover the other information and accordingly we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

Based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is no material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Simplified Disclosures and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered entity's internal control.

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
CORONATION CLUB LTD (continued)

Auditor's responsibilities for the audit of the Financial Report (continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the registered entity's ability to continue as a going concern.
- If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the registered entity to cease to continue as a going concern
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
